On September 04, 2023 majority of our schools have started. The department wishes a fun , safe and successful school year .

Community Workshop!

September 21st, The Faichuuk regional staff along with the department executives had a Professional Learning Community workshop at Fanapanges regarding accreditation and other important matters.

September Review:

The department set the starting date to Sept. 4th 2023, in hopes that all our school bases will be able to comply, so our SY 23-24 can start off nicely and be able to meet targeted number of instructional days. We are thankful that our schools started smoothly despite the challenges in the beginning. We continue to pray for the success of the children of our islands for the better future ! We continue to pray for the teachers of our islands, your hard work is appreciated. Let us continue to work for a brighter tomorrow. God bless the children of Chuuk .
